

Surfside Colony Newsletter

SERVING YOU IN SACRAMENTO

“As the elected State Senator for the community of Surfside Colony, it is my pleasure to represent you in the 35th Senate District, which includes much of coastal Orange County. For the past 12 years, I have enjoyed the responsibility of serving as an elected official. As I continue my term in the State Senate, my greatest priority and biggest challenge is to serve the various needs and concerns of the community while I am representing you in Sacramento.

In order to do this, I am committed to being available at all times to my constituents. I will do my best to assist you whenever you contact me regarding an issue that is important to you. My office will respond promptly, whether it's a problem with your driver's license, a question about Medi-Cal or simply clarification concerning pending legislation.

I truly appreciate the opportunity you have given me to represent you in our community

and in Sacramento.”

State Senator—Tom Harman

Surfside Colony Disaster Committee

Dear Surfside Homeowners and Residents—The 2007 Surfside Colony Directory was a great success. As we had hoped, the directory has contributed to bringing the colony closer together. It has been well over a year now since the printing of the

directory and is now time for an updated version.

If you would like to participate in the 2008 directory, please fill out the form enclosed with this newsletter and return it at the Annual Shareholders meeting on July 27 or to the Surfside Colony Office by that date. You may also mail it to P.O. Box 235, Surfside, CA 90743. Please feel free to include as much or as little information as you wish to contribute. Not returning this form will indicate that you do not want to be included in this year's roster. If you were in the previous directory and want to stay in, you must fill out the form and return it by the deadline. Thank you for your participation in the Surfside Directory.

Sincerely,
Sandy Redding
Disaster Committee
Chairman

SAND FILL UPDATE

The 2008 Surfside Sand Replenishment project is proceeding according to schedule. Specifications for the project will be advertised beginning in June with bids being accepted into July. It is anticipated that a contract will be awarded in August with the expectation that the project will actually begin shortly after Labor Day. Also, since the Corps of Engineers will be performing our sand replenishment, Seal Beach Naval Weapons Station has contracted to have the channel between the jetties dredged concurrently and, since the sand in the channel has been analyzed and found to be of high quality, we will receive this sand in addition to that received under our own contract.

ANNUAL SHAREHOLDERS MEETING

It's about that time again! Our annual shareholders meeting is scheduled for Sunday, July 27th, 2008.

Please plan on attending as this is your opportunity to get all the current informa-

tion on Surfside Colony.

During the meeting, we will be voting on two board positions whose terms are expiring.

Dave Evans—President
KC Coultrup—Treasurer

They have both indicated their willingness to run for re-election and their names will be listed on the election form in your packet that will be handed out at the meeting.

SURFSIDE COLONY SCHOLARSHIP FUND

We are pleased to announce that there is a scholarship fund of \$1500.00 available as a result of the Surfside Colony Cookbook sales. This scholarship will be awarded to a Surfside young adult or grandchild of a Surfside resident. The award may be used for either tuition or books only. If you would like to be considered for the scholarship, please send a

resume, including a paragraph as to why you would like to receive the award by June 30, 2008. Please forward your request to the Surfside Scholarship Fund, P.O. Box 231, Surfside, CA 90743-0231.

Library Committee

We are looking for volunteers to give our SS library some TLC. We're forming a library committee to organize and label books, designate a children's section and figure a way to keep the library looking great. If you are interested, please call Sandra at 562-592-4714 or email:

Thompsontwo@whittierhills.org

THANK YOU!

Thank you, Residents and Friends of Surfside. The Surfside pre-sales for the 2008 Art Festival quilt totaled \$1,355.00. The profits from the Art Festival support the art programs in the public schools which the children of Surfside and Sunset Beach attend, continuing education grants for the residents of Surfside and Sunset Beach, and four charities providing art therapy programs for abused women, adult mentally ill, troubled youth, and families at risk of abusing children. Thank you for your support and generosity. Pat Taylor Chair-Quilt Ticket Sales

KEEPING THE PEACE AT SURFSIDE

Just a reminder that as we approach summer, following the rules that have been established are for everyone's benefit. Following is a reminder of a few of those:

Parking: Remember, we are cracking down on vehicles not authorized to be in Surfside and vehicles that do not have current decals. We will also begin towing vehicles parked illegally in the Post Office parking as well as the outer parking lot. And, please remember to move your vehicles every 48 hours.

Parking Decals: All owners should already have their 2008 Parking decals. If not,

please come into the office and purchase them asap. These decals are for the period of January 08 thru December 08 and are renewed each January. *Renter decals* are effective on a quarterly basis. The next billing for *renter decals* will be for the period of July, August, September 08. Please make a note of this information.

Fourth of July is just around the corner—please remember that fireworks are illegal in the City of Seal Beach and the Colony is included in this restriction even though we have a private beach. The Colony is extremely vulnerable to fire due to the many old homes and the wind factor in this area.

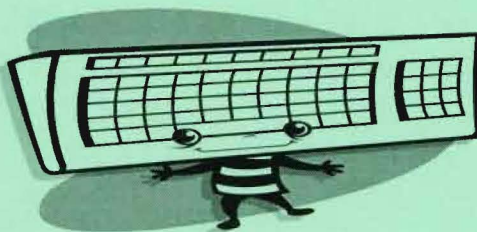

The Seal Beach Police will be issuing tickets and will be confiscating any and all fireworks which come to their attention. We would like to request that home owners on the A Row

leave their lights on for added security during this holiday.

Trash Cans: Surfside Colony Rules and Seal Beach Municipal Code require all trash cans to be covered and removed from the street the day they are emptied.

Beach Parties: Keep in mind that a letter of release of liability must be in the office before you can hold an event on the beach.

WEBMASTER NEEDED

Surfside needs a website and a webmaster to run it! If you are interested and have a creative flare, please call the office at 562-592-2352. Thanks.

Important Dates

- June—Renter Decals to be renewed, 3rd Qtr Leased Parking Fee Due.
- June 10— Board Meeting
