## Changes in Surfside

We would like to welcome Darlene Cahoon, C14 and Steve Wiles, B68 to the Surfside Board of Directors. Both Darlene and Steve were voted in at the annual shareholders meeting.

### Your board of directors are:

Dave Evans	President
KC Coultrup	Treasurer
Sandy Redding	Secretary
Darlene Cahoon	Director
Steve Wiles	Director

**Dogs:** An ongoing concern here in the colony are the many dogs being walked through the colony and on the beach without a leash. It is Surfside Colony Rule as well as a City of Sea Beach code that dogs are not allowed on the beach and they must be on a leash while being walked in Surfside. It is also becoming a real problem that many dogs are not being picked up after. Please pick up after your dogs and deposit it in your own trash cans.

**Trash Cans:** If your trash can is left out the day after your pick up, a notice will be placed on your trash can. If the problem continues, you may be cited by the City of Seal Beach Code enforcement. Please put your trash can away and out of site after every pick up.

## Food Drive for OC Food Bank

Did you know that there are 456,000 people going hungry here in the OC? 42% of those are children. The OC Food bank is not receiving many volunteer donations and many people depend on the food bank for survival. From 11/2 thru 11/16, please bring your donations to the Colony office. Donation receipts are available—Just put your donation in a bag with your name and address on it. A receipt for your donation will be sent to you. Please donate any non-perishable foods, hygiene products or baby necessities.

Last year we collected 118 lbs of donations—we hope to double that this year. For more information or questions, contact Beth at 714-360-9600. Thank you!
